Enrich your intellectual, social and cultural life through UCR's Osher Lifelong Learning Institute Program. The Osher Lifelong Learning Network is a group of educational institutions across the country dedicated to providing noncredit academic classes for adult learners over the age of 50.

Classes are held in Riverside at UCR Extension University Village, and in the Coachella Valley at the UCR Palm Desert Center. There are no tests, grades, entrance exams or minimum educational background restrictions. Courses and lectures are delivered in person at either of the locations and you can also attend classes delivered remotely using Zoom.
