Artistic Expressions exhibition opening reception at UCR Palm Desert

One of the largest collections of living artists in the Coachella Valley

PALM DESERT — The public is invited to attend the opening reception of Artistic Expressions, a unique collaboration between the University of California, Riverside-Palm Desert Center and the Artists Council.

The reception will be held from **5 to 7 p.m. Friday, May 3** inside the lobby of the B Building at **UCR Palm Desert, 75080 Frank Sinatra Dr., Palm Desert.**

Artistic Expressions features Artists Council members in a show designed to engage, educate, and enlighten the community. The exhibition, one of the largest to feature local, living artists in the Coachella Valley, will run from April 25 to May 17 at UCR Palm Desert.

"The Artistic Expressions show by the Artists Council showcases more local talent than almost any other art event in the valley," says curator Terry Hastings. "The show is open to all Council members and allows them to show off their most recent work. It is a great way to keep tabs on many of your favorite artists."

The event will feature light refreshments and many of the artists will be in attendance. All artwork is available for purchase.
